

## Exemption from Immunization Requirements

As a licensed childcare center, SonShine Preschool is required to have up to date immunization records on file for each student at the start of school.

For families desiring an Exemption from Texas immunization requirements, or has chosen a delayed immunization schedule for their child, a signed and notarized affidavit must be submitted for each child. Affidavits are valid for two years from the date of notarization.

Please visit [www.dshs.texas.gov/immunize/school/exemptions.aspx](http://www.dshs.texas.gov/immunize/school/exemptions.aspx) for information on how to apply for and obtain an Affidavit.

The preschool requires an original, not photocopied, Affidavit.
