PUSH UPS FOR THIS WEEK

Read this week: John Chapter 6. Use the below promptings as you go to the Word

(break up the 71 verses of John Chapter 6 into small sections, reading a small section of John 6 each morning)

Before opening the Bible:

Lord, cleanse my heart of my broken desires (my pride, my wants, my needs, my opinions, my judgmental attitude). Holy Spirit, allow me to see you, the Father and the Son clearly this morning.

While in the Word:

1. Lord what are you saying about yourself in this passage?
2. In what ways have I not believed this truth or not applied it?
3. Help me to engage with you more throughout my day. I truly desire to be led by you, instead of by my own leadership.
